

**Hello dear (Publisher) Team,**

**I've lately detected that you also have a blogger service which I really would like to join.** (with which publishers are you working together for now? Tell them if it's a big publishing house) **Because I rather carry a physical copy around with me when I am driving in the underground train or at my lunch break, I'd like to ask review copies from you in the future.**

**My name is** (name), **I am** (years old) **and am a student/ work as a** (which university are you going to? What is your job? Talk about it! A short personal story will make you more likeable and relatable ) **with a not so secret love for books.** (Write especially why you love books or why they have a special meaning for you)

(Number of books you've read so far) **read books later I am still a huge Fan and Reader. I love the genres** (insert your favorites), **but I also sometimes read** (insert genre) **or** (insert genre).

**I have a somehow successful instagram/ Bookstagram account with around** (number) **followers. You can find me under the handle** (insert your instagram name) **and since** (month/year) **i write on my blog**(name the blog) **which gets around** (number) **clicks a month from all over the world. I actualize and post** (daily, weekly, monthly?) **and fill it with reviews and blogposts regarding all the books and their magic and I put a lot of work and blood into it and post my thoughts and love on the blog and on**(write down all the review portals you are using) **regularly. I would be super happy and glad if you would like to work with me.** (Maybe tell them why you could be the right choice for them)

**I am interested in the following title:**

(please only request 1-3 books at a time, otherwise you could seem greedy)

(insert title and the link)

**I really hope you consider working with me and would be glad to hear from you in the future.**

**Thank you for reading this E-Mail and have a nice day.**

**Greets**

(your name)

**address:** (add your name and address, some publishers send you the books right away without giving you an answer to your mail)
